LICAPÈ  
— Health & Beauty —

Licape Lip Balm with SPF protects your lips from harmful UV rays while delivering deep hydration and repair. It also soothes and nourishes dry, chapped lips—leaving them soft, smooth, and protected all day.

## 3 WAYS TO USE OPTIMALLY

Clean and Dry Lips

Make sure your lips are clean and dry before application for best results.

Over Make Up

Use it alone or layer on top of lipstick for added sun protection and moisture.

Reapply!

Reapply throughout the day, especially after eating, drinking, or sun exposure.

It helps you stay protected from the sun while keeping your lips soft, smooth, and deeply hydrated.

### Broad-Spectrum UV Filters

A powerful combination of UV Filters offer high-level broad-spectrum protection against UVA and UVB rays. These filters help prevent sunburn, pigmentation, and premature aging on the delicate lip area.

### Shea Butter & Jojoba Oil

Shea Butter and Jojoba Seed Oil deeply moisturize, soften, and nourish the lips. They create a protective barrier that prevents dryness and helps repair chapped or cracked lips over time.

### Ceramide Complex (NP, AP, EOP)

This trio of skin-identical ceramides strengthens the skin's natural barrier, locks in moisture, and supports long-term lip health. Ideal for maintaining hydrated, resilient lips, especially under environmental stress.
